Council Orders Action on Air Pollution

Altona Council on Tuesday called for a Ministerial investigation into the whole production aspect of the Altona Petrochemical Co. Pty. Ltd. in a bid to stop air and water pollution by the company.

The Council will also serve notice on the company requiring that within 14 days it take all steps necessary to end the nuisance of emission of offensive odours and excessive noise.

The City Health Inspector will report to the next Council meeting whether the industry can be considered an offensive trade within the

meaning of Government Acts. In a report to Council on Tuesday Dr. J. H. Leyden, the Council's Medical Officer of Health, said materials manufactured at the Altona Petrochemical Co.'s plant were capable of causing serious complications to some people, particularly young children and elderly persons, and those with existing res-

piratory conditions.

Dr. Leyden said the materials were highly reactive and were capable of causing respiratory symptoms of moderate severity in most people.

"There have been a number of reports of cases of people in the Altona West area suffering from respiratory distress which is claimed to be associated with odours, vapours and gases emanating from the nearby Petrochemical complex," Dr. Leyden reported to Council.

"On April 4, following complaints, a visit was made to the Altona West area and following this, an inspection of the Altona Petrochemical plant was carried out.

"The odours detected previously by me in the Altona West area were identical with the odours detected in the plant.

"I therefore appeal to the company or companies concerned to prevent the dis-

charge of these odours, vapours and gases, and to keep this nuisance to a minimum.

"It is time, too, that attention was drawn to the deteriorating environment in Altona West due to excessive noise and light."

Cr. D. K. Grant presented two petitions to Council signed by a total of 362 Altona West residents — calling on the Council to act against the pollution.

He said he had attended the petrochemical plant with Dr. Leyden and Cr. W. L. Crofts on April 4.

"At one place the vapor was irritating to the skin, and I believe it could irritate some people's eyes," Cr. Grant said. "In one area the smell made me sick, and I have a very strong stomach."

Cr. Grant then read minutes of previous meetings when the pollution had been discussed.

"I think that this particular company has been causing a nuisance for far too long," he said. "I think it is to the company's credit that it is going to spend a lot of money to overcome some problems, but I think also that it is time the Council took appropriate action."

"I think we have been very tolerant — perhaps too tolerant — and we could have shown some weaknesses, but I think it is now time we put some muscle into it."

"It is unfortunate when we have these differences with our second largest ratepayer, but it is time we got down to taws."

ANZAC MARCH

The Anzac March in Altona this year of returned servicemen and women will be on Sunday, April 19, commencing with a march from the Returned Servicemen's Club rooms in Sargood Street at 11 a.m. and finishing at the Cenotaph in front of the Civic Offices.

On Anzac Day, April 25, the Dawn Service will be at 5.30 a.m. from the club rooms. The club will open earlier for coffee.

Cr. W. L. Crofts supported Cr. Grant.

"I know sympathy is not much use, but I am in sympathy with those who suffer this nuisance."

"We have tried to promote Altona as a good place to live and work, and I think most people appreciate this. We have 15 square miles of city, and only some of it suffers from this pollution problem."

"We have to press to get councils more power to control pollution, and we've got to get the Government to update the present legislation."

"We must press the Premier and the Minister of Health to review the current Act."

"Unfortunately the people

Briquette Depot should close in two years

The S.E.C. has informed Altona Council it hopes to stop storing briquettes at the Paisley depot within about two years.

In a letter to council on Tuesday Dr. W. H. Connolly, Commission chairman, said the depot would not be needed as a holding area for distributing briquettes to customers after the coming winter.

But he said the depot would be required to hold reserves of briquettes for the Newport Power Station until the Commission was satisfied that the operational needs of the station could be met from other sources.

The S.E.C. is at present re-organising the distribution of briquettes to private cus-

tomers. Dr. Connolly's letter is in reply to a council deputation which met him, other S.E.C. officers, and the Minister for Fuel and Power, Mr. J. C. M. Balfour, on April 1.

Dr. Connolly told the council that arrangements had been made to spray briquettes at the depot continuously, including weekends and holidays.

He said additional agricultural water piping and sprays had been laid to increase the efficiency of watering — particularly in the area facing Mills St.

Open areas not planned to be reused for briquette storage will be sown with grass to provide additional protection against briquette dust.

Cr. D. K. Grant told Tuesday's council meeting he did not believe the depot would be closed soon enough.

The Mayor, Cr. P. A. Burns, said council would continue pressing the matter.

"But I say it will all be gone in two to two and a half years," said Cr. Burns. "Let's hope so."

\$125,000 Paid at Land Auction

A total of \$125,550 was paid at the auction in the Civic Hall on Saturday for 65 residential lots in the Altona Meadows area.

Average price paid was \$1950 for blocks which were mainly 40' x 125' with roads and drainage being constructed and water available.

The land was auctioned by Altona City Council to recover outstanding rates.

Only one corner lot where bidding reached \$2,200 was paid in but later a sale was negotiated at \$2,350.

The other two corner lots reached the highest prices paid — \$2,500.

In Hook Street \$1,800 was refused for a block which went on to sell at \$1,850.

Cheapest lots were in Victoria Street (a Government road) which is expected to have light industrial development on the eastern side. They sold from \$1450 to \$1550.

Land in North Avenue facing open space was generally over \$2,000.

Prior to the auction Town Clerk, Mr. Jim Waters, announced Council would give every assistance to buyers who bought three or more lots beside each other and wished to subdivide into a smaller number of blocks with wider frontages.

Thirteen buyers bought 32 lots mainly in groups of two or three, but one paid \$10,000 for five blocks side by side.

Housing permits will be issued but Mr. Waters said as yet it is not known whether or not flats will be permitted.

Prices paid included construction costs of the road and drainage scheme averaging \$875 for 40' lots and about \$1,900 for the corner blocks.

Altona Council will receive the value of outstanding rates, \$3,319, the cost of street construction, \$55,149, and costs. The remaining money will be paid into Government Consolidated Revenue.

B. F. Goodrich Chemical Limited — the Australian based PVC Chemical Plant at Altona, Victoria — has won an American safety contest conducted in 15 countries outside the U.S.A.

The award is the "Goodchemco International Safety Award", conducted by the B. F. Goodrich Company in Cleveland, Ohio and open to all plants in its International Division.

The Australia-based company was victorious in the first year of the award.

The win follows a fine record achieved by B. F. Goodrich Chemical Limited (formerly B. F. Goodrich-CSR Chemicals) at Altona. The company won the National Safety Council Award (Victoria) in 1966 and the Society of Chemical Industries Victorian Award in the following year when it was named "Plant of the Year".

At a recent ceremony at the company's Altona plant, the "Goodchemco Award", a 30" high gold cup, was presented to the safety officer, William Bates, by Mr. Marvin W. Larson, Director, Manufacturing Engineering and Development, B. F. Goodrich Chemical Company International. In his speech Mr. Larson said: "Cleanliness and safety in a plant usually means efficiency in that plant. We believe this company's plant at Altona is one of the cleanest, safest and most efficient plant anywhere. I have much pleasure in making the award in its first year of competition, to the Australian company."

Altona Company Wins New U.S. Safety Award

Watched by employees of the B.F. Goodrich Chemical Limited plant at Altona, Mr. Marvin W. Larson, a Director of B.F. Goodrich Chemical International and of the Australian-based company, presented the "Goodchemco Safety Award" cup to Bill Bates, safety officer.

THE CURTAIN RISES

BY THISBE

Why women in Dressing Gowns should cause so much disgust to people like that well known Radio and T.V. Personality Lord Ted Willis is something I cannot understand.

Lord Ted of course is the dressing gown as a Theatrical Symbol and the other man could quite easily have said "the woman in the scruffy slippers, dirty slacks and old jumper".

There is a certain correctness in all these things for instance, a negligee is worn over a night-gown while preparing for bed but a dressing gown was actually used to cover the body while dressing. It was often sleeveless and very loose.

It was put on, the night gown removed from beneath and my lady finished her dressing beneath it. I find this very hard to believe but I suppose seven short petticoats, drawers and camisole needed a great deal of patience anyway.

I remember seeing Marilyn Monroe on a Calender (she was March, I think) wearing an absolutely, utterly feminine dressing gown of Pink Velvet with white angora, she really looked so beautiful.

I don't know whether Ivy Walker has collected a dress-gown like that, perhaps she has. What one wears and needs is very charming at 20 but can look pretty tatty at 40.

Convention

The Australian Christian Women's Convention is having a day of special meetings for women at the Baptist Church, Paisley St., Footscray, on Wednesday, April 22, at 10.30 a.m.

Speaker will be Mrs. Francis.

At 1.15 p.m., question time with the panel will commence.

There will be a creche for the children. Ladies are asked to bring their own lunch and cups of tea will be provided.

A ten night season of "Woman in a Dressing Gown" opens at the theatre 24, Albert Street, Williamstown on Wednesday, 29th April, closing on Saturday, 9th May.

Booking opens at E. S. Marr's Radio and Music Centre, Ferguson Street, Williamstown, on Monday, April 20. Please book early to secure good seats and avoid the scramble at the end of the season.

TPI SOCIAL CLUB

Sixty-nine members had an enjoyable afternoon at cards on April 9 and winners were, ladies, Mrs. Boulton; gents, Mr. A. Smith.

Club members wish all members sick at home or in hospital a speedy recovery.

Next card afternoon will be at 1.30 p.m. on April 23 in the Manchester Unity Hall, Footscray.

Earlier this month 68 members visited the War Veterans' Homes, Frankston and enjoyed the concert put on by Mrs. Ison, Mrs. D. Fowler, Bonny Jarard and her Willie Wagtail Warblers.

One of the inmates of the home who is over 80 years of age, gave a very good rendition of "Because." He is Mr. Lou Sims, formerly of Yarraville.

Mrs. R. Bassett compered in her usual good style and kept things moving.

On March 17, Mr. E. Penney, secretary, was made a Life Member of the TPI Association of Victoria and he also received a Certificate of Merit for his services to the TPI Association and the Footscray TPI Social Club.

Kobytinski-Goding Wedding

Six sisters were in the bridal party when Mr. Henry Kobytinski and his bride Nancye-Lea Goding, pictured above signing the register, were married at Holy Trinity Church of England, Williamstown, on March 21.

The bride is the eldest of the daughters of Mr. and Mrs. L. Goding, of Williamstown. Four sisters, Julie-Anne, Sheryl-Lyn, Sue-Ellen and Glorene Goding were bridesmaids and another Rae-Lisa was flowergirl.

Page-boy was the bride's brother, Gary Goding.

The groom is the eldest son of Mr. and Mrs. E. Kobytinski, of Altona.

Mr. Ellis Pattinson was best man and Mr. Stephen Kobytinski, Mr. George Kobytinski and Mr. Leslie Goding were groomsmen.

The reception was held at Talbot Hall, Williamstown.

The bridal couple are honeymooning at Surfers Paradise.

West Metropolitan Region Girl Guides

**A unique fund-raising Coffee Morning
was held by the West Metropolitan Extension
Branch Auxiliary.**

Miss Carol Harper, the Guide Leader from McKay Division, who was selected to attend Guide Headquarters on the day H.R.H. Princess Anne paid her visit, had a great thrill when Princess Anne spoke to her on two occasions, commenting on the smartness of her new style Australian uniform.

The next thrilling event in this Diamond Jubilee Year of Guiding will be the Debutante Ball on April 16, at the Orama Ballroom, Footscray. Mrs. Carlyon, West Metropolitan Region Commissioner, 12 debutantes and their partners have been busy practising for this big event. This is the first debutante ball ever to be organised by our region and promises to be a very good evening. Pat and Ron Shelton are to give a demonstration of ballroom dancing during the evening. Tickets are available from the ticket secretary, Mrs. Grigg, 32 Darnley Street, Maidstone.

On Friday evening, April 17, a St. George's Day service will be held at St. Paul's Cathedral, Melbourne, at 7.45 p.m., when members of the Guide and Scout Movement will join together in a service as part of their "witness to God."

Flag-bearers will assemble in the Cathedral Close at 7.15 p.m. and report to the Scouter-in-charge. All

other members of the Guide Movement, their parents and friends should be seated at 7.30 p.m. All early-comers will have the opportunity of practising new hymns with the Guide Choir. This choir, together with a party from the Gang Show and the "Stirrers" band will lead the singing for the service. The speaker will be the Rev. Peter Corney, Youth Chaplain of the Diocese of Melbourne.

His Excellency the Governor and Chief Scout of Victoria and his wife Lady Delacombe intends to be present.

NEW SCOUT DISTRICT

Williamstown and Altona Councils will be represented at the declaration ceremony to be held outside the Civic Hall, Altona, on Sunday, at 2.30 p.m. to mark the official formation of the Gellibrand Scout District.

The district comprises all Scout groups in Williamstown, Altona and Werribee.

The invitation to councillors and their wives to attend the ceremony came from the District Commissioner, Footscray, Williamstown, Altona and Werribee Boys Scouts' District Association.

MARRIED AT ST. ANDREWS

— Photo by courtesy Barry M. Sutton, 397-6017.

Mr. and Mrs. Terry Chapman smile through the rear window of the bridal car as they leave St. Andrew's Presbyterian Church, Footscray, after their marriage on April 3.

The bride, the former Kaye Maree Noonan, is the only daughter of Mr. and Mrs. T. Noonan of Castlemaine St., Yarraville, and the groom is the youngest son of Mr. and Mrs. H. Chapman, of Seves Street, Altona.

A gown of French silk ottoman with a chiffon bodice and long sleeves was worn by the bride and she carried a prayer book with a small spray of carnations.

Bridesmaid, Miss Suzanne Maule, cousin of the bride, wore a lemon chiffon gown trimmed with guipure lace. She carried a bouquet of carnations and frangipani.

The groom was attended by his brother, Herbert Chapman, from Bunbury, W.A.

Relatives from other States also attended the wedding.

The bride's mother wore a yellow shantung frock and matching jacket with yellow and white accessories.

The groom's mother chose a blue ensemble and navy accessories. The reception was held at Shirley Park.

Chislon's 21st CAR MARATHON DRIVER AT ALTONA BIRTHDAY ROTARY LUNCHEON

Members of the Altona Spastic Aid Committee were guests at the 21st birthday held at Chislon Spastic Centre on Friday, April 10.

As well as supplying the Centre with equipment, the senior member, Mrs. M. R. Shields, presented to Mrs. Andrews, a further cheque for \$800. Mrs. Shields was presented with an early Victorian posy of flowers.

Mention was made that this year is a very critical period for spastics as if the work is to continue more money will be urgently needed. Any person who feels thankful for their own and their families' health, may care to show it by making a donation to help this work.

The committee is holding a street stall on Saturday, May 2 and will appreciate any support that can be given.

Information can be obtained by ringing 398-1138. Goods may be left at 9 Upton Street, Altona, or if necessary, arrangements can be made to have them picked up.

The word Chis-Lon means hope and confidence. The committee ask for help for spastic people to go on living as normal and happy a life as possible.

Altona Elderly Citizens

The Altona Elderly Citizens monthly dance will be held at the club rooms in Sargood Street this Saturday.

Attractions include old time and modern dancing, monte carlo prizes and a tasty supper for 30 cents.

Games and cards are still being played on Tuesdays and Thursdays starting at 1.30 p.m. Entrance 10 cents.

Members are pleased that their social club president, Mr. Jack Sutton, continues to improve although he still is a patient in Williamstown Hospital.

Missionary At Baptist Church

On Sunday, April 19, a visiting speaker will preach at both the morning services at the Altona Baptist Church.

He will be the Rev. A. E. Smith, a former missionary and president of the Baptist Union of Victoria.

Mr. Smith will be deputising for Rev. R. J. Reynolds who is to lead a study group of about 25 young people from the church and their friends at "The Bungalow," Mt. Macedon.

The studies cover "How to know the will of God" and "How to Cope with Temptation."

Young Wives

Altona Y.W.C.A. Young Wives will hold their next meeting at the Methodist Church Hall, Sixth Avenue, Altona North, on Tuesday, April 21, at 1.15 p.m.

Donation is 30 cents and afternoon tea will be provided.

There will be speakers and a baby sitter.

New members would be very welcome.

At the weekly Rotary luncheon on Tuesday, April 7, the guest speaker was Mr. John Gowland, a driver in the London to Sydney car marathon which took place late in 1968. Mr. Gowland gave a very informative and very entertaining account of his experiences in connection with that race.

The cars covered over ten thousand miles on land and spent nine days on board ship. Of the 198 cars which started, only 54 completed the race.

For the marathon, a great deal of time and effort was spent in preparation. Mr. Gowland's car, a Ford Falcon GTS, took four months to prepare at the Ford plant at Broadmeadows. It was driven 1,000 miles and then stripped completely and all parts checked thoroughly. As the car would be travelling at a steady 90 to 100 miles per hour, eight headlights were fitted. The doors were stripped of much weight and food and spare parts were stored in the doors. An emergency toilet was even fitted in the back seat.

Quantas air-freighted the cars and sealed cans of Melbourne water to England.

Spare parts depots were spread across the world and serviced by a Friendship Fokker aircraft. BP laid out depots of 100 octane petrol along the route. Dunlop did the same planning concerning tyres. The Ford Falcon wore out ten sets of tyres during the race.

The drivers of Porsche cars had heard of the kangaroo problem and made special guards from a study of the marsupial (unfortunately a small wallaby) in the local zoo. Luckily, they did not meet any kangaroos.

On arrival in Australia, the Ford team took a light plane to Southern Cross to go over a difficult section of the track. On arrival there, they were supplied with a competitor's make of car. On the rough track to Lake King, the petrol tank was holed, and they were helped by the crew of a truck checking the route for yet another competitor's make of car.

Before the race, every mile of the route from Perth to Sydney had been charted and the drivers knew exactly the maximum speed to use in negotiating each bend of the 3,100 miles.

Square Dance A Success

Once again last Thursday night's square dance at Altona was a tremendous night. Probably the cooler evenings makes dancing more enjoyable.

At the supper break, birthday greetings went to husband-wife team, Maurice and Edna Butterworth, who were both celebrating birthdays.

All is ready for the weekend at Warburton this week — all that is needed now is sunny weather to help make the Victorian convention successful.

The Altona Square Dance is held every Thursday night at the Youth Hall, Civic Parade, from 8 to 11.15 p.m., to the calling of Dave Hooper. Ring 398-2708 for more details.

"Wild Goose Chase"

The Altona Drama Group's rehearsals for the play "Wild Goose Chase" have now been in progress for several weeks under the capable direction of Graham Murdoch and are progressing smoothly.

Graham has been greatly helped by the enthusiasm shown by the members of the cast, especially the new members.

Steven Moore, who has been absent during earlier rehearsals, is now with the group full-time. He is now sporting a beard since his holiday which will cause some little problem with make-up, but he has probably worked out a solution to that.

The play, a farce in three acts, has been giving the cast plenty of laughs at rehearsals and should provide an enjoyable evening's entertainment. The play will run at the Civic Hall on May 18, 19 and 20 at 8.15 p.m.

MEMBERS WANTED

Altona Branch of the Returned Servicemen's League is seeking new members.

Any person who has been on active service may be eligible to join, and if not already a member is asked to please contact Bill Draper on 398-2817.

A dance will be held in the club rooms next Saturday, April 18. Members can bring visitors, and are also asked to bring their own supper.

BABY SHOW THIS SATURDAY

A baby show will be staged in the Life-saving Hall on The Esplanade at Altona from 1.30 p.m. this Saturday, April 18.

The organisers, Altona Lions Ladies' Auxiliary, have arranged for four sections — birth to six months, six to 12 months, one to two years and two to three years. Section winners will receive a silver cup, as will a champion baby.

Entry is 50 cents, but 20 cents for a competition for the best photo of a baby up to two years.

Inquiries may be made on 398-2762 (after hrs.) or 398-2963 (business hrs.).

Scout Stall

Fourth Altona Scout Group will hold a stall in Pier Street this Saturday, April 18.

Goods may be left on Friday at 16 Spear Court, Altona, or on Saturday at the stall.

Engagements

JOL-INGRAM

Mr. and Mrs. C. Jol, of Mount Street, Altona, have pleasure in announcing the engagement of their eldest daughter, Leni, to James, youngest son of Mr. and Mrs. F. Ingram, of Dunedin, New Zealand.

ALTONA RESIDENTS

Mr. and Mrs. J. Walsh and Mr. and Mrs. V. White have much pleasure in announcing the engagement of their eldest daughter, Marlene, and eldest son, David.

Rotaract Meeting

The Rotaract Club of Altona will conduct its next meeting at Altona High School on Friday, April 17, at 7.30 p.m. Supper will be provided at the conclusion of the meeting.

21st Birthday

Mr. and Mrs. Stan Griffiths of Bladin Street, Laverton, gave a cabaret style party for 100 guests in the Sunshine City Band Hall to celebrate the 21st birthday of their son, Roger.

Roger received a watch from his parents and his father presented the traditional key.

The attractively decorated cake was in the shape of 21.

PUBLIC MEETING PROPOSED

Williamstown Council is making tentative arrangements to convene a public meeting of ratepayers opposed to the proposal by H. C. Sleigh Ltd. to use land at Kororoit Creek Rd., Williamstown, for the purposes of a petroleum distribution terminal.

The council refused a permit for the oil terminal and the company concerned is appealing against the decision.

The hearing of the appeal will be heard by the Town Planning Appeals Tribunal at the Williamstown Town Hall on Tuesday, May 19, at 9.30 a.m.

The proposed meeting of ratepayers will be held sometime between May 12 and 16 and will be held, if requested, by a minimum of 50 people.

LETTER TO EDITOR

Dear Sir,

I would like to direct this letter to the folk of Altona.

After living in this city for 50 years, I am distressed to see that progress has brought a lethargy among the citizens to things which deeply affect them.

I have asked for help in my effort to bring to notice of the members of our government for the need for a stronger control over air pollution in Altona.

I have received some letters but not enough considering the amount of citizens affected by these fumes.

The suggestion of Cr. D. Grant as a permanent pollution officer is a valuable start and I believe we, the citizens, should give it our fullest support. We could not have a better man for the job. We cannot hope to be helped if we do not help ourselves. So I would like to say if you don't want to be just a moaner, sit down now and write that short letter.

If not to me then to the council.

I would like you to write a description of pollution and its intensity and effects and what you believe the cause of that pollution. Keep a close watch and write at once if you notice any further pollution.

But let me have more letters right now. Thanking you,

VERA V. WELLS,

206 Blyth St., Altona.

SOCIAL EVENING

The Altona Spastic Aid Committee will be holding their usual social evening on the last Friday in April in the Youth Hall, Civic Parade, at 8 p.m.

Hostesses will be Mesdames Oakes and Thomson.

Ex-Students' Meeting

Members of the Altona High School Ex-Students Association are advised that the annual meeting of the Association will be held at 8 p.m. on Thursday, April 16, at the school.

As this is a very important occasion all members and those wishing to join should be present.

Members are asked to rally around their friends and invite as many as possible to make the meeting a success.

Val's Column

Hello Girls,

How do you apply your cleansing cream or lotion? Do you place sufficient in the palm of one hand and use the fingertips of your other hand to pick up and apply to your face and throat with an upward outward motion? Then, beginning at the throat and working up towards forehead, use both hands to spread the cream over every section of the skin. Removing it with two tissues — one for each side, again using both hands upwards and outwards?

Protective creams, used under makeup, should be dotted sparingly on face and throat. Then blend upwards and outwards, around eyes, with fingertips until the cream has been absorbed into the skin.

Revlon — looking after us again. Now it is a new Flex lotion. Remember Flex conditioner with its many usages? Now there are two Flex lotions for firming the hair.

Formula 1. Have you this problem — fine hair, limp hair or just plain undisciplined hair? Use Formula No. 1. It is the first after shampoo lotion that visibly firms and improves the body and texture of limp lifeless-looking hair. Infuses each strand with a new strength, new flexibility, without a stiff or sticky feeling. Fine, wispy, fly-away hair gains expanded body, looks and feels fuller, richer, thicker. Lack lustre hair radiates with shiny, healthy-looking glow. Undisciplined hair behaves beautifully. Soft fine bodied hair sets easily — and holds — and holds.

Formula No. 2. Maybe this is for you. Tinted, bleached or abused hair. Now the first replenishing after shampoo lotion that helps restore natural body and lustre to color treated or abused hair. Visibly firms and improves the texture of limp "deflated" hair. Dry, listless or brittle feeling hair gains expanded body — looks and feels thicker, fuller, more buoyant.

Bye.

Williamstown Jogging Club

The Williamstown Jogging Club had a successful first meeting at 6 a.m. on Saturday, April 11, outside Parson's Marina, The Strand, Williamstown.
Over 30 would-be male and female joggers turned up at dawn.

Mr. Brook Tovey, President of the Williamstown Amateur Athletic Club addressed those present and took the beginners for a quiet jog, while Ted Allsopp, the well-known walker, led the more athletic types, who included Gordon Ogden, ex Melbourne footballer and former Williamstown Football Club coach, and other well-known sportsmen.

After about a mile jog Les Allan, of the Williamstown Travel Centre, convenor of the club, informed those present that they would meet every Monday, Wednesday and Friday at 6 a.m., and Sunday at 9 a.m. outside Parson's Marina.
A larger attendance is expected next week. Everyone is welcome of both sexes.

Homing Club

WILLIAMSTOWN (V.H.A.)
The club conducted its Young Bird race from Korong Vale, a distance of 120 miles. 1st, B. Demme; 2nd, David Guy; 3rd, Ted Kwiatkowski.
It is pleasing to see David Guy, a junior flyer, doing so well.
Last week's race from Harcourt was won by another junior in Brian Murphy — a good effort boys. Any new flyers are welcomed. — Gay Pied.

\$7 Spanners Cost \$40

Brian John Paxton, of Burden Street, Williamstown, was fined \$50 in Williamstown Magistrates Court on Friday for the theft of a box of socket spanners valued at \$7.

Police said Paxton took the spanners from a garage where his car was being repaired. They were found concealed under the back seat of the car.

Phone 397-5282 (business hour) for further information.

WILLIAMSTOWN LIGHT OPERA COMPANY

Two couples who are members of the Williamstown Light Opera Company are to be married this Saturday.

Colin French, of Princes Street, Williamstown, marries Shirley McClelland, of Mitchell Street, Maidstone, at the St. Andrew's Church, Barkly Street, Footscray, at 4 p.m.

Shirley joined the company seven years ago and has only missed in appearing in two out of the 21 productions presented over that period.

Colin is a familiar personality to Williamstown and Footscray people for he has been a meter reader for the local gas company for the last 10 years and joined the company three years ago and has appeared in nearly all the productions since then.

Ray Ockwell, of Giffard Avenue, Altona North, and Noeline Pattie, of South Kingsville are to be married at the Holy Trinity Church, Nelson Place, Williamstown.

Ray has been very active as social manager over the past three to four years. Noeline has starred in many of the wonderful ballet routines that have been presented in recent years.

The opera company's current production "The King and I" is well into rehearsals and is scheduled to open on May 9 at St. John's Hall, Pickett Street, Footscray, many well-known top-line stars are to appear and for further details call at the Theatre on Monday night at Footscray in Pickett Street.

ART SHOW

Mrs. L. G. Caithness, M.B.E., honorary treasurer of the Williamstown and District General Hospital, will officially open the 1970 Beta Sigma Phi Art Show at 3 p.m. on Sunday in the Williamstown Town Hall.

Because of the growing interest in art, Mr. R. Cunningham, Director of the Nelson Gallery, Williamstown, has prepared an article which should be of great interest to viewers. Beta Sigma Phi members are very appreciative of Mr. Cunningham's willingness to guide in this direction.

A demonstration of pottery has been arranged for Sunday afternoon, so if the moulding of wet clay has always appealed to you, come along as an observer and see how to form a piece of pottery.

The Art Show will be on view from 2.30 p.m. to 9 p.m., April 19, and from 10 a.m. to 9 p.m. April 20. Proceeds from the exhibition will benefit the urgently needed Bill Dooley Geriatric Wing of the Williamstown Hospital. This year afternoon tea will be available in the Supper Room.

Williamstown Youth Centre Is Now 25 Years Old

Last week's celebrations of the Williamstown Youth Centre's 25th birthday culminated in a busy, but nevertheless very rewarding week-end.

Firstly, the Saturday evening Invitation Dance was a great success. The gymnastic equipment gave way to a gaily bedecked Dance Hall. It was pleasing to see so many former members, parents and retired committee members at this function. Some 130 people watched as former President Mr. D. W. Jones cut the birthday cake.

Then on Sunday afternoon came the eagerly awaited opportunity to officially open the outdoor basketball court. This court — a 10-year-old dream of former Manager H. M. Storey — has finally become reality due to generous donors and the technical

and financial backing of the Williamstown City Council. Many club members have worked very hard during the last weeks adding final touches and decorating with bunting and coloured lights.

The introductory speeches given by President, Mr. D. Lawerson, and the Mayor, Cr. R. Dawes, were followed by several challenge matches. The City Band provided delightful background music for the audience of over 100 guests.

After refreshments (once again provided by the Ladies' Auxiliary), the guests were treated to a fine indoor gymnastic display. Thank you Y.M.C.A. —

Unlicensed Driver

The convenience of driving to work on two consecutive days in November last year cost a youth \$220.00 in the Williamstown Magistrates' Court on Friday.

The youth, Raymond Zook, of Elizabeth Street, Williamstown, was fined \$100.00 for driving without a licence on November 19 and \$110.00 for committing the same offence the next day.

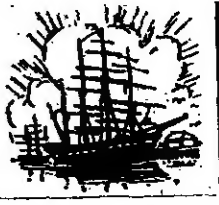

Albert Hill, of Giffard Street, Williamstown, was also fined \$100.00 for driving without a licence on June 9 last year.

Montague Branch — for providing the opposing basketball teams, and joining with us for the floor work.

Altona Camera Club

At last Friday's meeting of the Altona Camera Club members were invited to discuss their photographic problems with a panel of experts and some very interesting points were raised which benefited those present.

All entries for this month's competition which has an "open" theme must be handed in to the print steward this Friday, April 17, while those members preparing for the May competition have "night scene" to work on.

Next Friday is a cine night and any members with any suitable movie film are invited to bring it along for viewing.

The Camera Club meets every Friday of the month "Homestead" at 7.30 p.m. Ring 398-1937 for further details.

Beta Sigma Phi

Beta Sigma Phi, MU Chapter, Altona, have started another busy year. In March the Chapter had a picnic to Avalon to the beach house of Nora and Don McIntyre.

The weather was perfect, contributing to the enjoyment of all.

A street book stall, planned for March 21, had to be cancelled because of heavy rain.

During April, the extension committee is busy helping to form a new chapter in the Essendon-Glenroy area.

Anyone interested in art will be pleased to hear the Chapter is holding another art exhibition in September.

It's Days Are Numbered

This is a sad time for the Williamstown ferry — its days are numbered. The gay bunting and flags, usual on Royal visits, were quite absent on Sunday, April 5.

The new \$42 million dollar bridge which will cross the Yarra River near Stony Creek is already under construction and will be completed in 1971. The Williamstown ferry will then go out of commission.

In 1963 when the Britannia sailed up the Yarra Her Majesty the Queen and the Duke of Edinburgh came up on deck just as the Royal Yacht sailed past the ferry and waved to the thousands of people watching from the river banks and to the Williamstown VIP's who were on the ferry.

The ferry on that occasion hid its shabbiness with gay bunting and flags.

Last Sunday the Royal family appeared on deck again and delighted the watching crowds by waving to them. But apparently the ferry was in no mood for festivity and hardly bothered to hide her shabby paintwork from the Royal eyes. It's not much use spending money on paint or flags when your days are already numbered.

Had Her Majesty used her binoculars she would have read that the ferry still gives fine service for a very small fee to those who have the time to wait. The toll list on one side of the engine room tells that it costs 5c for each foot passenger, pig, lamb or goat. Had she wished she could have taken a one horse vehicle or a car across the river for 15c. Mostly these days those who use it prefer to take their cars.

The first settlers had to ford the river on horseback near the present ferry site which was called the "Stepping Stones".

In 1851, Mr. Amman, a civil servant, suggested that a bridge be built over the Yarra at the site but nothing came of the idea.

But in 1857 Captain Buttle commenced a ferry service at Newport by rowing passengers across the river.

The first steam ferry the "Connecting Link" was launched on May 23, 1873, and the Williamstown Borough Council paid 1750

pounds for its construction. In those early days the ferry was reserved for stock and wheeled transport and so watermen were always present near the ferry docks to row passengers to the Port Melbourne side of the Yarra.

The "Connecting Link" managed to last until 1907 when a new steam ferry replaced it. The new ferry carried eight vehicles and carried on for 24 years until it sank in the river.

The present ferry, designed to accommodate 32 vehicles, was launched the same year. Often it carries huge road tankers and heavy transport and so the number of vehicles it carries at any given time varies. But it is uncomplaining. Backward and forward it bogs across the river guided by two chains on either side attached to the banks of the river. Seven days a week it works from early morning

until after dark only taking time off for occasional overhauls.

It was docked on the Williamstown side of the Yarra, in the shadow of the huge pylons of the West Gate Bridge while the Britannia sailed past. Ahead Her Majesty could see the welcoming sign on the new bridge and to port near the banks of the river at Williamstown she could see the tired, shabby little ferry for the last time.

Perhaps Her Majesty might see fit to award a special medal to a loyal and devoted servant.

"For service and unswerving devotion to duty."

INCREASE IN ELECTORS

Mr. Ron Walsh, ALP candidate for Melbourne West Province, pointed out this week that there had been an increase of 11,847 electors in the Melbourne West Province since the last State election. Over the same period the Bendigo Province only increased by 861.

Bob Harrison, ALP Candidate for Gisborne, commenting on this said these figures indicate a definite drift of people from country areas to the city.

"This is an indictment on the present government" he said. "There is an urgent need to decentralise and to prevent the continuing suburban sprawl", said Bob Harrison.

He said "Growth in country towns like Kyneton and Woodend should be stimulated.

"The towns of Werribee, Laverton, Melton and Sunbury should be developed as satellite cities separated from the present suburban area by a green belt", said Bob Harrison.

"Provision of more public transport, additional schools and adequate water supplies are some of the more urgent needs of the Gisborne electorate", he said.

Painting School At Walhalla

Do you dream of a few days away from washing up, the kids, Melbourne's state air? Join the Council of Adult Education Autumn Gold Painting School to be held at Walhalla for four days in May (13-17).

The tutor Ray Mudford is one of our best and most popular tutors. A lecturer at Coburg Teachers' College, his wit and good humour are infectious.

Students paint more and better their challenging leadership. There are plenty of scenes to paint at Walhalla—cottages, old shops, ruins as well as glorious mountain scenes with swift flowing streams all within walking distance of the hotel.

If you'd like to take part, contact Mrs. Nicholls or Mrs. Clark at C.A.E., 256 Flinders Street, Melbourne. Telephone 63-4231.

Bob Harrison said the whole of the electorate needs the type of stimulation that only a Labor Government can give to fulfil its promise of being the only properly planned electorate in the whole of Victoria.

What Would You Do?

... if you were visiting Altona for one week and wanted to see around the town, would you visit the Museum which will be open on Sunday between 2 and 4 p.m.?

It is surprising how long it takes to find your way to a local place of interest when you live in that particular place.

Just imagine you are on holidays this week and make time this Sunday, April 19, to visit Altona's Museum which can be found in the south-east corner of the "Homestead", 128 Queen Street.

The Museum is run by the members of the Altona Historical Society who plan to meet tonight (Wednesday) at 8 p.m. in the Homestead for a general meeting and to discuss a topic for their proposed display in March, 1971.

Residents and any one interested in the history of Altona and the preservation of its history are welcome to attend the meeting tonight.

LARRY FLOYD'S VIEWS ON POLLUTION

Mr. FLOYD.—I desire to speak on this Bill because pollution is the "in" thing. Vietnam is out, pollution is the "in" thing, and one has

Speaking to the Water Control Pollution Bill in the State Assembly, Mr. Floyd made some pertinent points. Because of the Legislative Council action the Bill will not be proceeded with in this Parliament. A Hansard report of portion of the speech follows:

to get in on it. I suppose one must commend the Government for being with it, although it acted somewhat belatedly. Although members of the Opposition cannot condemn the Bill, they condemn the Government for its lack of consideration to the public generally and to members of the Opposition particularly in introducing an important measure so late in the session.

Of course, it is a political trap; we saw the cheese weeks ago, but we cannot condemn it. The pseudo-scientists are now telling us what residents of the western suburbs knew years ago. The people of Brighton are just waking up to certain happenings in that area.

There has been pollution in the western suburbs for a long period. These suburbs may be described as being geographically dead, but they have been polluted for years by Liberal Governments. This measure may be the solution to many of the problems from which people have been suffering for years.

I have repeatedly informed the Government about the spillage of oil in the Yarra River from the oil wharves at Newport and about the dangers of the ebb and flood tides; how the oil, coming from broken pipes, has flowed up the Yarra, under the wharves at Yarraville and a casual match has set fire to ships like the "Euroa". That is pollution.

In the western suburbs there is a non-descript stream called the Stony Creek. There are 29 Stony Creeks in Victoria, but our Stony Creek is the dirtiest, rottenest and the biggest "no-hoper" stream of the lot because situated on its banks are the installations of oil companies. Owing to this Government's lack of supervision and its inability to catch up with modern practices Stony Creek has been polluted for many years.

The Yarra River is the most admirable stream in Australia because it gives Melbourne the purest water supply in the world—provided that the water is taken from the upper reaches. If one used the water from below Collingwood and in Melbourne one would die. The water should be captured above Warrandyte. After the river traverses Collingwood it is so filled with trade wastes that it becomes foul.

In the early days, the Melbourne and Metropolitan Board of Works did an excellent job with its sewerage systems; but it had to cater for only one million people. Now the population of Melbourne is 2.5 million, and with storm waters flushing the channels, raw sewage comes through the drains, particularly in Williamstown.

No wonder that, at last, the Government has decided to introduce this Bill, and no wonder members of the Opposition are prepared to pass it. It is unfortunate that, the other day, our political tactic in endeavouring to force the Bill through deprived us of the opportunity of discussing it during the second reading stage. If those tactics had not been adopted the Bill would have been a window-dressing exercise for the Government, and would have been taken off the Notice Paper tomorrow.

Everybody with nothing else to do is talking about pollution. This has been going on since Adam was in the boy scouts. At least a Bill has been introduced. Members of the Opposition accept it with all its imperfections, because it is better than nothing. If the Government is returned, as usual the measure will be corrected by numerous amendments: If the Opposition or the Corner Party becomes the Government, the measure will be re-examined but at least it is something to be built upon and, of course, it satisfies the general public.

Members of the Government are cheer chasers—there is not much to cheer about these days, so this Bill is as good as anything. Members of the Opposition are in the difficult position of saying that the Bill is belated, that it has been introduced too late, but sufficient time has not been allowed to correct its imperfections, and we must go along with it.

Over the years, I have discussed the subject of the spillage of oil into the Bay. There are penguins, swans and pollution at Williamstown. At times the poor old birds stagger around covered with oil. The subject is not new. Members of the Opposition will not condemn the Government for attempting to solve the problem.

Except that this Bill should have been introduced earlier in the sessional period so that a committee could have been formed to consider some of the problems of pollution, instead of this hit or miss job. I hope that the Bill is as good as it looks, and that the Government will put more teeth into it than it did in relation to the Clean Air Act. The Bill is a stop-gap measure. If it is good, it will work; but if it is not, some future correct it. People with nothing to do have suddenly discovered the subject of pollution and are getting on the band wagon. Williamstown has been putting up with pollution for years. If it has not been coming out of the smoke stacks of the Newport power house, it has been coming down the Stony Creek.

Members of the Opposition welcome this belated enthusiasm of the people of Brighton who have just discovered that a pipeline will be constructed under Port Phillip Bay.

Altona Life Saving Club

The monthly executive meeting of the Altona Life Saving Club was held on Tuesday, April 7, with Mr. R. Edwards presiding.

The Chief Instructor reported that swimming training had resumed at the City Baths on Monday night, the bus leaving the club house at 6.45 p.m.

While swimming training continued, Wednesday nights would be devoted to indoor sport and games from 7 to 8 p.m. in the club house. When swimming training ceases, the sport and games night will be Monday with Reel, Line and Resuscitation training taking place on Wednesday nights.

The club captain reported that patrols had been carried out quite well during the season by the few members qualified.

The First Aid Officer reported that only 32 cases had been treated this season as against 62 last season. This was mostly due to the smaller crowds patronising the beach because of the not so good weather as last season, but the relatively small number of cases showed that organisations were still participating in "Operation Beach Clean."

PRESENTATION NIGHT

Arrangements were well in hand for the annual Presentation Night and Dance to be held on Saturday, May 23.

PICNIC

One race result was inadvertently omitted in last week's report due to the winners not giving their names to the judges. This was in one of the girls "piggy back" races won by J. Cattinach and Tracey Slater.

DONATIONS

The following donations for the purchase of trophies are gratefully acknowledged: National Self Service, Pier Street; Seaholme Motor Panels, Pier Street; Mr. and Mrs. J. Eagland; Frazer's Pharmacy per Mr. A. Tyrrell; R. J. Gilbertson Pty. Ltd. and Altona Star.

NEXT MEETING

The next monthly Executive Meeting will be held on Tuesday, May 5, at 7.30 p.m.

MEN - ROUND 4

A Reserve, 1, lost to Fawkner, 3, 1-6-96 to 3-11-127.

B Grade, 2, lost to Sunshine, 2, 2-7-102 to 2-8-93.

B Reserve, 3, defeated Latrobe, 1, 3-9-90 to 1-3-55.

C Reserve (4), 2, lost to Fawkner, 2, 2-6-55 to 2-6-69.

C Reserve (5), 4, defeated N.S.C., 0, 4-12-116 to 0-1-27.

John Murphy played well to let his opponent win only 5 points. His out-of-form teammates could not quite clinch enough games to win the match.

In A Reserve new member B. Smith acquitted himself well to win their only rubber at No. 3 position.

NEW RIDDELL BRANCH

From a small beginning almost 25 years ago, Riddells has grown into Melbourne's largest staff placement agency.

The opening of the new Branch at Footscray brings the total number of branches to six. Strategic siting has placed a ring of branches around the city - each in a dormitory and/or industrial area.

Thus both employee and employer sources are on hand in the local area.

Riddells' General Manager, Brian Costley, said, "Earlier we believed that a central office operation would best service the needs of both job seekers and employers. However, we have come to realise that the most effective operation is "on the spot" branch offices.

This has been the basis of our rapid expansion in both the temporary and the permanent placement fields."

Riddells' "Selective Staff Placement" method seeks to match the prospective employee, both in competence and temperament, to the right position. Nothing is left to chance.

Careers counselling, by professionally competent counsellors, is undoubtedly the best known aspect of Riddells' operation. However, their training colleges for secretaries and stenographers are also an important part of the Company's business.

In July of this year Riddells will commence a new venture which is quite unique.

The securing of highly skilled administrative and technical people from overseas has been, till now, the exclusive prerogative of very large firms who can afford to send staff recruiting/migration personnel abroad for that purpose.

Smaller organisations with a need for perhaps just one or two specialists have had to rely entirely on the local labor market.

In July, Mr. Costley will begin a lengthy visit to the U.K. and North America with commissions from local employers of labor to find, interview and recommend prospective staff to employers specifications.

He said, "We have been planning this new operation for some considerable time. We needed to be certain that the mechanics of the thing were as simple as possible for both the prospect and the employer."

LETTER TO EDITOR

Dear Sir,

I feel that some arguments being put forward by Altona Council against effluent discharge into the bay will eventually work against them.

The health risk argument is the main offender. This effluent is being purified to Royal Commission requirements. What higher recommendation does the Council want?

When their extravagant claims are considered against this expert document, in what light will they be viewed by the authorities? I suggest with scant respect.

Certainly this has already happened with regard to a claim that discharge has already caused seaweed growth. Discharge has not yet begun.

Telling MMBW engineers that they are wrong in believing that the present Werribee system cannot take Altona flow will not enhance many political reputations either.

Yours sincerely,

V. GRDOVICH,

WILLIAMSTOWN BASEBALLERS OPEN SEASON WITH THREE WINS

Williamstown commenced the season in fine style by winning all of their three games against Caulfield on Saturday. The teams, although slightly rusty in their first games, look as though they can continue on the great efforts that they put up last year.

There were several large hits in the games. Two 3-baggers in the first from N. McLeod and N. Pedretti, also a home run in the Seconds from J. Humphries.

FIRST IX

The Firsts beat Caulfield in a game that was of very good baseball for the first game of the season. The home side few chances away to Caulfield who were struggling, all through the games to penetrate the strong Williamstown field.

The strong batting of the Williamstown side cut holes through the opposition defence to put the runs on the board for Town and take them onto a comfortable victory.

Scores: Williamstown, 9, d. Caulfield, 2.

Safe hits: N. McLeod 3, G. Parnaby 2, N. Pedretti 2, B. Wells, L. Flower, P. Bowyer, A. Harris, F. Bowyer.

Best: N. McLeod, N. Pedretti, A. Harris.

SECOND IX

The Seconds soundly defeated a much weaker side in Caulfield which seemed to take out the interest in the game.

The fielding by the side was the best seen for quite some time as it was practically impenetrable and also the batting was at full strength.

The new players that Williamstown acquired from the disbanding of Newport Baptists fitted into the side well and should prove an asset to the team.

A highlight of the game was a magnificent home run from John Humphries.

Scores: Williamstown, 12, d. Caulfield, 1.

Safe hits: J. Humphries (home run), I. Dougall, P. Collins, B. Johns, G. Dougall, R. Twist, L. Treadwell, R. Hailey.

Best: J. Humphries, L. Treadwell, R. Twist.

THIRD IX

The Thirds defeated Caulfield in what was a rather poor standard of a game even for the first game of the season.

After letting Caulfield jump away to a 5-nil lead with inaccurate pitching and several errors on Williamstown's behalf.

Williamstown staged a battling rally and put five runs on the board in the third dig and then went on to win the game by four runs.

Scores: Williamstown, 11, d. Caulfield, 7.

Safe hits: K. Parker 3, J. Harrison 2, R. Rowe 2, E. Poole, E. Knight, G. Clarke, J. McMillan, W. Balcum, D. O'Connor.

Best: J. McMillan, D. O'Connor.

UNDER 17

Williamstown defeated Essendon by one run in a very evenly contested game. The side is being coached by a former player, W. Humphries, and should give the final four position a good jolt.

Scores: Williamstown, 6, d. Essendon, 5.

UNDER 15
Town started the season with a fine win against Airport West. After being three runs down the side caught up and passed the opposition to run out eventual victors.

The side had a lot of new players who have shown that they are an asset to the club.

Scores: Williamstown, 10, d. Airport West, 5.

Best: R. Vergos, T. McVeigh, R. Smith.

UNDER 13

Essendon defeated Town by a large margin. The side comprises all new players, most of which have not had a ball in their hand, but the team shows a lot of promise for future games. A home run was hit on Saturday by one of the players, F. Hynes, in his first game — a remarkable effort.

Scores: Williamstown, 2, defeated Essendon, 14.

Newport Baseball Club

The A Team, with good batting (16 hits) and a steady defence (no errors), backed up by some fine pitching by Harry Bunting with 13 strike-outs, had a comfortable wins over Glenhunting, 12-0.

The best players were H. Bunting and R. Simpson.

B TEAM

This side won 34-0 in a game which went only two innings.

Of the 11 Glenhunting batters to face the pitcher, T. Forrester, 7 were struck out. Best: G. Tweedley, T. Forrester.

C TEAM

Newport lost to a far more experienced team, mainly due to a lot of new players. As the season goes on better things can be expected.

JUNIORS

UNDER 17 lost to Coburg, 16-0.

UNDER 15 defeated Flemington, 3-0.

UNDER 13 lost to Sunshine, 26-6.

OLD PLAYERS

The Annual Meeting of the Old Players was held on April 3. The following officers were duly elected:

President: C. James.

Vice-President: Mrs. C. James.

Treasurer: J. Richardson.

Secretary: L. Duggan.

New members are being sought for the Old Players. Fees are \$1 male and 50c female.

One of their many activities is cards nights which are held on the first Friday in each month at the club rooms. All welcome.

THIS WEEK'S GAMES

A and C TEAMS play Flemington at home at 12.30 p.m.

B TEAM play Flemington away.

ALTONA OUT-FOXED IN SOCCER BY BOX HILL

Box Hill with a little bit of cunning took Altona to the "cleaners" last Saturday.

Altona were well on top when Box Hill put in a little bit of "niggle" and while the Maroons were sorting themselves out Box Hill scored two goals. To make matters worse David Yelland, the referee, gave the Hillmen two penalties which were far from conclusive.

Altona had no answer to these tactics and the result was they lost by 4 goals to 1 — a rather rare and flattering result to Box Hill.

In the first half it was all Altona. King was lost at centre forward and despite all the good leading-up work by Herman, Loughran and Kean no goals were scored.

Van Ypern almost notched one. However, a late tackle spoilt his chance and at half-time it was a no scoring draw.

After the interval Herman almost put Altona ahead as he rose high above the pack to head goalwards but the full back bobbed up on the goal line to head clear.

Then came a period when the Hillmen with hard, late tackling upset the rhythmic machine of Altona.

Ian Roberts had a real off day and before Altona knew where they were 3 goals had been scored against them.

Hynes gave everything he knew in an endeavour to lift Altona and they almost came back into the game when Herman scored a good goal. The Maroons' fightback was short-lived as the second penalty was rammed home to make it 4-1 to Box Hill.

Altona will have to make sure they don't get pulled into a position like this again. A few positional changes will also help Altona become the force they were.

Sunday's game with Coburg was a cup-tie effort. Coburg hit the front twice but goals by Delayain and Van Ypern made it 2-2 at half-time.

Copley and King were playing well and with Smillie Van Ypern adding the shooting power Altona were a lot more dangerous. The goals that won this game for them was a good effort by Herman who headed through to Van Ypern and Smillie slammed home a great winning goal.

This Saturday will see Dandenong visit Kims Reserve. This will be Altona's first home League game.

It is still not certain if Savage will be fit. However, with Van Ypern showing up well and King playing well

on the left Altona should be able to make a better showing on their home ground.

JUNIORS

UNDER 14

On Saturday Altona Under 14's played Melton at Kim Reserve and they were off to a good start with a win of 11 goals to 2.

Altona soon got into their stride with quick goals from Downes and Hamill and they had Melton struggling from the start.

At half-time the score was 4 goals to 1 in Altona's favor.

The second half was one-way traffic as Altona piled on goals and pressure.

Best for Altona were Hamill, Gransbergen and Burgess.

UNDER 16

On Saturday afternoon at Kim Reserve it was the Under 16's turn to show what they could do, but they started badly when Sunshine Heights scored quick goals in the first 5 minutes of play. At half-time they were down 3-1.

After a good speech they came out a different team and scored a couple of goals to even up the game before Heights took the lead again with a good goal.

From the kick-off Altona took the ball down to level the score again. Neither side could add to their tally in the remaining time.

Best for Altona: B. Saxton, T. Gibbon and P. Thompson.

UNDER 11

Altona Under 11's played St. Albans and as usual a large crowd turned up to watch the boys put up their usual good game.

In a good game Altona just managed to beat St. Albans 2-1.

Best for Altona: Spinner, Perry and Plessa.

UNDER 13

After this match the Under 13's took the field and they defeated St. Albans 8-0 to win the match easily.

Goals were scored by S. Burgess 3, M. Vanderpoel 3, N. Totney and F. Degorgio.

Best: Vanderpoel, Totney and Burgess.

Next week the Under 11's play Sunshine Heights, Under 13's play Werribee, Under 14's play North Sunshine and the Under 16's play Sunshine City.

Football Club Wants Ground

South Kingsville Football Club is even prepared to change its name if Williamstown Council will give it permission to use Diggan Reserve this season.

A previous application by the club to play on the ground was refused by the council.

The club points out it is not new to the municipality as for many years it was known as Williamstown Rovers, and when it played at the Strand Reserve it had a large following of Williamstown residents.

At the moment the club has 15 Williamstown rate-payers, including nine active players and during the season hopes to recruit many players from Williamstown municipality.

Council instructed the Mayor and Town Clerk to report on the matter to the Reserves Committee.

Altona City Win First Up

Altona City opened up the season last
Saturday with a convincing win over last
year's runners-up Central Altona by 73
points.

First Quarter

Central, with first use of
the breeze, quickly put two
goals on the board before Al-
tona, through the agency of
P. Brennan and Ron Schwabe
put up the first major for Al-
tona.

Altona kept Centrals out
with good play from D.
Brennan and Richard Zapart
from the half-back line and
capably assisted by I. Harris
at full-back.

This was an excellent effort
by the local side to keep Cen-
trals out against such a
strong wind and opened up
the way for a good victory.

Second Quarter

Play opened up with Altona
using the wind to full ad-
vantage and good play by
"Darby" Munro, Steven Chat-
field and Austin Molloy soon
had the Central backline
under pressure.

Newcomers to the open age
side, Kevin Flett and Keith
Thompson, were very con-
structive and are a great
asset to the side.

Goals by Skelley, Schwabe,
Molloy and Steve Chatfield
soon had the Altona side well
on top in this quarter.

Altona finished the quarter
with a three goal advantage.

Third Quarter

After a strong talk by
coach Dell York at half-time
Altona came out with no in-
tention of letting this game
slip away.

With strong backing-up and
good roving from Phil Reid,
assisted by some good work
from Egan on the wing Al-
tona went straight into at-
tack.

The backline of Keen, Tis-
dale and Paul Itter were de-
termined not to let the Cen-
tral forwards pass.

"Darby" Munro, playing a
fine game, set the half-for-
ward line on "fire" in this
quarter.

Altona went into the final
term with a handy lead.

Final Quarter

Altona went into the last
quarter with the idea of
making this a percentage-
boosting effort.

Ron Lawson, Phil Reid and
Andrew Skelley showed a lot
of heart in this quarter and
never shirked an issue. Goals
from Reid and Skelley were
"gems".

The rucks were starting to
get on top after a slow start
and this brought a lot more
players into the game.

D. Brennan was still a
thorn in the side of the op-
position at centre-half-back,
well-supported by R. Zapart
who turned in an excellent
game. His marking particu-
larly was outstanding.

John Butterworth replaced
R. Lawson in the final term
and showed flashes of the
strong play we have come to
expect from this player.

Geoff Hardham also made
his debut in this quarter and
with a bit more match play
could be a handy type of
player with the club.

Best: Munro, Reid, Zapart,
D. Brennan, Molloy, Tisdale,
Flett, Skelley.

UNDER 16

Under 16's of the Altona
City Football Club were to
play Newport last week. Un-
fortunately, Newport found it
hard to get the 14 men re-
quired to field a team by 10
a.m., so the game was de-
clared to Altona.

However, a practice game
using boys who arrived late
gave both teams valuable
match practice.

UNDER 18

The Under 18 team had a
bye, but because of the team
spirit of present and past
junior players, many lads
used the chance to run into
form.

This week one Under 18
team will play at Loft Re-
serve. West Newport, while
another team will be at home
to Laverton.

This means that every Sun-
day afternoon a game will be
played at Grant Reserve if
enough helpers can be found.

BARBECUE DANCE

A barbecue dance will be
held at the club rooms on
April 25, commencing at 8
p.m. Popular group "The
Shades" will provide the en-
tertainment for the evening.
Admission charge will be \$1
per head which includes food
and entertainment. A terrific
well-entertained night will be
had by all.

LEAGUE UNDER 19 FOOTBALL

In the Victorian Football
League Under 19 competi-
tion South Melbourne this
week scraped home to win
by 4 points against North
Melbourne.

After the first quarter in
which both teams were
evenly matched, South went
into attack. Nodzio, with
strong, clever play outwitted
his opponent to send the
ball forward. Goals from
Davis, Grima and Kurth for
South gave them a convin-
cing lead at half time.

It looked as if South had
the game won at the start
of the 3rd quarter but a bad
slump in their play gave
North the chance to come
back. North scored 4 goals
whilst South floundered, un-
able to turn back their re-
lentless attack.

The opening of the last
quarter saw North again
take advantage of South's
feeble efforts and in the first
few seconds another goal put
them in front. Two more
goals put North further
ahead but South, through
the efforts of Brown, Nodzio,
Pasquill and Lees managed
to hold North to a 13 point
lead.

With 5 minutes of the
game remaining Cooper
goaled.

Another goal by Cooper
brought South to within a
point of North. North des-
perately drove the ball for-
ward but could only man-
age to score a behind. Then
Nodzio with brilliant play
scored a goal to put South
4 points in front. It was a
magnificent effort by the
Swans after failing so badly
in the 3rd quarter.

Scores were South Mel-
bourne 12.12-84, North
Melbourne 11.14-80.
Best players: Chalmers,
Davis, Cooper, Nodzio, Pas-
quill, Brown and Lees.
Goal kickers: Cooper 4,
Nodzio 3, Davis 2, Pasquill,
Kurth and Grima 1 each.

ALTONA YACHT CLUB

The week-end's sailing at the Altona
Yacht Club was the last for a season which
has been dogged by bad weather and enough
bad weather was left to see the season out,
not with a bang, but a conspicuous "phht."

But Saturday's weather was
not quite as bad as Sunday's
and the Hornet and GP14
classes competed in a cham-
pionship race resulting in:

HORNET: 1, Shadow, J. An-
dross and M. Balish; 2, Two-
Up, P. Matthews and I.
Sheard.
GP14: 1, Keino, F. Mallett
and N. Anthony; 2, Whistable,
B. Smith and K. Smith; 3,
Bellbird, F. Harrison, I. Har-
rison and R. Forsey.

The start of the Hornet
race was rather interesting.
Before the ten minute signal
the "fleet" (comprising of
only two starters) sailed to
the line, tacked in opposite
directions and took up their
starting position.

Two-Up was to the wind-
ward of the starting line in
readiness for a downwind
start whilst Shadow was po-
sitioned to the leeward of the
same line ready for a
windward start. Neither boat
gave an inch both convinced
of their correctness.

The time slowly ticked
away, the five minute signal
was given and like latter-day
"Don Quixote's" the two look-
ed at each other ready to
charge the imagined wind-
mill.

The starting tower's lights
blinked as each converged the
line head-on from opposing
directions. The start was
given and both headed to
cross the line, they con-
verged, crossed and the race
began — it would be unsport-
ing to mention who was in
the wrong.

On Sunday the morning
seemed flatulent with ex-
pectant wind. Tom (Rose-
mary Margan) Jones had
given fearful forebodings of
the winds that were to blow
out the Winsor Memorial Tro-
phy series.

The soft breeze, that every-
now and then belched up to
five miles an hour came at
varying times of the day
from the north, the west and
the south and all points be-
tween. It even attempted to
blow up and down.

Williamstown Methodists

Teaming well Williamstown
defeated one of last year's
top four sides, Croxton, by 11
points.

Scores: Williamstown, 15-
17-107; Croxton, 13-18-96.
Best: J. Funston, P. Cassel,
P. Bell, M. Elley, R. Nich-
olls, J. Hale, R. Wendt.

Goals: J. Funstone 5, D.
Crocker 2, I. Walker 2, P.
Cassel 2, R. Nicholls, J. Hale,
M. Elley, T. Caverly.

Next week Town will play
Newport Methodists away at
Newport Football Ground.
The Juniors are home to
Altona Presbyterians.

Local Player Causes Upset In Tennis

Altona player, 15-year-old
John Trickey caused an up-
set last Sunday when he de-
feated seeded player Brian
Burrell 6-4, 6-2 in a semi-
final of the Western Suburbs
Open Singles.

Burrell recently returned
from a private tennis tour
overseas.

John will now play in the
final at the Yarraville courts
next Sunday afternoon
against the winner of the
match between D. Cameron
and L. Campanelli.

Newport Methodists Football Club

In a replay of last season's
preliminary final Newport
Methodists were narrowly
defeated by Diamond Valley
by 3 points.

Both sides were extremely
inaccurate in front of goal
and Newport, after leading
by 3 goals at half-time, could
not withstand a strong last
quarter by Diamond Valley.

Scores: Newport Metho-
dists, 9-26-80; Diamond Val-
ley, 10-23-83.

Goals: C. Harris 3, P. Hay-
ward 2, K. Miller, D. John-
son, W. Bridge, K. Neville.

Best: C. Harris, A. Currie,
A. Spicer, B. Webb, C. An-
gourias, R. Toman.

This week's match is
against Williamstown Metho-
dists at home.

WESTERN SUBURBS TABLE TENNIS

The Western Suburbs 1969-70 Summer
A Grade Table Tennis Premiership was taken
off by Kingsville (Jim Montgomery, Paul Mit-
chell, Ted Veiss and Stephen Hayes).

Paul Mitchell was a match-
winner for Kingsville with 3
singles rubbers and 2 doubles
rubbers with Hayes and Mont-
gomery, to his credit.

Jim Montgomery was the
other Kingsville winner with
a singles win over Lindsay
Loone, 21-15, 21-18, plus a loss
to Alan Coustley, 21-14, 21-
23, 9-21, who was Newport's
best player with 2 singles
wins.

John Garvin won one
singles rubber for Newport
who could not match Kings-
ville in doubles play, or the
great form of Paul Mitchell,
and Kingsville ran out win-
ners at 6-3.

In the B1 grand final the
result was also 6-3, this time
in Footscray's favor when
they defeated Maribyrnong.

Maribyrnong's three play-
ers each won one singles rub-
ber. However, Footscray's
Dick Ross and Wally Rosenz-
weig each won two singles
rubbers and these two play-
ers with Alan Dvill combined
well to win both doubles rub-
bers which gave Footscray a
6-3 victory. Maribyrnong's
three players were Frank
Kovacs, Des Jones and Bill
Gosling.

WINTER PENNANT

Although the Winter Pen-
nant starting date is Mon-
day, April 20, teams and in-
dividual players are still re-
quired in various grades and
the pennant committee will
make every effort possible to
place teams or players inter-
ested in their most suitable
grade. Enquiries can be made
to Ray Blythman, 391-1205
(home) or 391-2211, ext. 125
(business).

Wednesday's E-D handicap
was won by Esso's Joe Rick-
ett's from Dale Liston, 51-35.

Steve Slattery won the A-C
handicap from Dave Fowler,
51-42, in the most successful
tournament held so far.

Other players to do well
were Ken Weston, Paul Mor-
ris, Bill Simmons and Derek
Lupton.

Liston-Esp. Tennis Club

Liston-Esplanade team won
the Western Suburbs Summer
Pennant B1 Grade premier-
ship last Saturday.

They defeated Diggers by
13 games in the grand final.
The Liston-Esplanade ladies
did not drop a set, Lynette
Douglas and Mary and Anne
Doran winning 6-0, 6-1, 6-2.

They were well supported
by Ian Sharp (c.), John
Charlesworth and Geoff How-
arth, who played with greater
steadiness than their oppon-
ents.

W'TOWN LITTLE ATHLETICS CENTRE

THIRD ANNUAL PRESENTATION NIGHT

The Third Annual Presentation Night in the Supper Room of the Williamstown Town Hall last Friday drew a large crowd of members and their families.

A magician provided first class entertainment for a short period before the presentation of trophies and record certificates.

Distinguished guests were Mr. Larry Floyd, M.L.A., the Mayor of Williamstown, Cr. Ron Dawes and the Mayor-elect, Mrs. Dawes. Mr. Alf Brooks from the Victorian Egg Board (Little Athletics main sponsor), representatives from Corio Centre, Mr. and Mrs. Wood and Mr. and Mrs. Roberts and family, from Altona, Mr. George Nevitt, and the man who started it all, Mr. Trevor Billingham, Secretary/Manager of the Victorian Little Athletics Association.

President John Wright thanked all who had helped in the maintenance and running of the Centre during the season. It was not possible to mention the many officials and others whose contribution makes Saturday competition possible, but those to deserve special mention included Mesdames Mabel Ward (Centre Team Manager), Joy Bell (Recorder), Heather Bird (Canteen Manager), Messrs. Ed Steward (Secretary), Rod Silk (Announcer) and Ray Cumming (Ground Manager).

These people formed the spearhead of the organisation of many individuals required during the season. Mr. Billingham stressed the importance of parent participation. He also underlined the value of competition and its attendant rewards as a goal because every person needs an incentive to improve his efforts.

He emphasised that Little Athletics provides enjoyment for all who enter even if they cannot win a trophy, as well as providing companionship for boys and girls. At club level interested parents have an opportunity of helping to build a good club, and thereby, a good Centre.

Cr. Dawes presented the Best Girl Athlete Trophy to Jill Gittins of North State and the Best Boy Trophy to Adrian Sims also of North State.

Cr. Dawes donated trophies for the boy and girl who obtained the highest aggregate of points during the season. Mrs. Dawes presented these trophies to Jill Gittins and Andrew Gibson (North State).

Mr. Larry Floyd presented the trophy for the Most Improved Club to North State Club. This trophy was donated by the Shops Committee of the Meat Workers' Union of Newport Freezing Works.

Mr. Brooks presented the Victorian Egg Board trophy for the best club to Yarraville West. Mr. Ward, President of the club, received the shield, previously held for two seasons by Westport.

Mr. Graham Parker, Williamstown Apex Club, presented the Apex Trophy for Best Girls' Club to Mrs. Picone. Assistant Manager of Yarraville West, and to Mrs. Chambers, Manager of Westport, for the Best Boys' Club. Banners for runner-up clubs were presented by Mr. Ed Steward to Mr. Picone, Manager for Yarraville West boys and Mrs. Chambers, Westport girls.

Record certificates were presented by Cr. Dawes to boys and girls holding current records for performances at Newport and also the "away from home" records.

The evening closed with a drink and packet of chips for each boy and girl, and tea and biscuits for the adults present.

The "retiring" members (the closing season's Under 12's) are invited to contact Mr. Brook Tovey of the Wil-

liamstown Amateur Athletic Club to continue in senior athletics. They are, however, still eligible to compete in the cross country season commencing at Williamstown Esplanade on Sunday, April 26, at 1.30 p.m.

Reminder: The Executive Council meet on Wednesday, April 15, and delegates meet on Wednesday, April 22, and May 24, when members for the Executive Council will be elected.

This meeting requires the support of all interested adults to ensure development of Little Athletics for the benefit of the children and the community generally.

North State, Westport and Yarraville West Clubs are holding individual presentation nights this coming Friday.

Westona Little Athletics

DATES TO REMEMBER

Friday, April 17, 7.30 p.m. — Altona West School, Belmar Avenue. Presentation of club championship certificates and medals, record certificates, special trophies to outstanding athletes. Please bring a plate of supper.

Sunday, April 19, 12 noon — Altona Centre's first cross country run at Cobblelick's Ford, followed by picnic lunch. All Westona children who competed during the track season are eligible to compete.

Tuesday, April 28, 8 p.m. — Annual Meeting, when the annual report will be presented. Office-bearers and committee will be elected. Come along to this meeting and help with your ideas. This meeting will be held at the Altona West School.

Altona Lacrosse Club

SHOCK DEFEAT FOR ALTONA

In their first game for the 1970 season last Saturday, Altona Lacrosse Club were well and truly beaten by the visiting Glenroy team at Bond Reserve, Altona North.

The opening quarter was representative of the remainder of the game and gave Altona a clear indication as to what the game was going to be like.

Being the first official game, both teams were determined to win and this was evident by the solid, hard checking of both teams.

Glenroy's accurate passing and fast forward play put Altona into a hard position which they couldn't really handle resulting in Glenroy running away with the score. Glenroy led comfortably throughout the match and won easily 22-6.

Altona's faults in Saturday's game were due mainly to their lack of overall fitness which ultimately affected their speed, accuracy and teamwork.

Goals (for Altona): Billy Cook 2, John Butkiewicz, Frank DeKusel, Russel Little and Trevor Danger, while the umpire's votes went to Neil Worboyes 3, John Butkiewicz 2 and Trevor Danger 1.

Altona, this week, play away against the Malvern team.

Altona Little Athletics Centre

CROSS COUNTRY SEASON
All little athletes are advised that the first cross country meeting conducted by the Altona Centre will take place at Cobblelick's Ford at the end of Doherty's Road next Sunday, April 19, commencing at 12 noon.

Competitors are also reminded that the entrance fee will be 15 cents to be handed to club managers before competing.

Club colors are to be worn by every competitor and spikes are not allowed.

Children are advised that it will be necessary to provide their own transport.

The Executive Council are hopeful that a good muster of little athletes from each club will contest this first event.

The Victorian Cross Country Championships are expected to be held some time in June.

Remember, club uniforms must be worn and the usual entry fee of 15 cents per competitor is required.

A barbecue will be held afterwards.

The annual General Meeting of the above club will be held on Tuesday, April 21, at 8 p.m. in the Primary School. All interested parents are urged to attend.

The above club would like to express their grateful thanks to the members of the St. John Ambulance who so ably assisted those children requiring attention, no matter how small the injury, in the season just completed. We are sure it was greatly appreciated by both children and parents alike.

Altona North Little Athletics

The annual Presentation Night for the Altona North Little Athletic Club will be held Saturday night, April 18. Venue is St. Luke's Church Hall, Blackshaws Road, Altona North, commencing at 7.15 p.m.

All club members and their families are cordially invited. There will be a guest artist for the children. Ladies are asked to take a plate of cakes.

The annual meeting will be held on Thursday, April 23, at 1 Windsor Crescent, Altona North, at 7.30 p.m.

MAGNIFICENT START BY ALTONA IN HOCKEY

Altona made a magnificent return to top grade hockey in Victoria when they downed last year's premiers 1-0. Rank outsiders, Altona shocked Power House by scoring first through the agency of Ross Ford.

Physically stronger, Power House showed their displeasure by endeavouring to break through by brute force, upending Altona players right, left and centre.

However, this proved to be no avail. Power House, having been unable to obtain any drive from the wings due to clever blanketing by halves J. Hunter and D. Bartlett, came out after half-time with the clear purpose of attacking straight down the centre or the ground. But attack after attack broke up on the deft stickwork of Peter Hunter and Gavin Bowden or on the wonderful goalkeeping of Bob Verity.

Although Power House appeared the better side in position play, stickwork and having much greater experience, Altona won this game because of a fierce will to win, maintaining concentration for every second of the game.

A well-earned victory for the team and for coach W. Smith.

Let's hope Altona can maintain this level of effort next week and don't do a Fitzroy.

TEAM: Goals, R. Verity (vice-captain); L.B., G. Bowden; R.B. P. Hunter (captain); L.H., J. Hunter; C.H., R. Smith; L.H., D. Bartlett; O.L., A. Challis; I.L., B. Forrester; C.F., R. Ford; I.L., A. Baillie; O.R., S. Cronin.

C North defeated Melbourne University, 8-0. Captain K. Robertson, Vice-Captain H. Doerner.

D North lost to Melbourne University, 4-2. Captain L. Haslam, Vice-Captain M. Kroll.

E North drew with Brunswick, 2-2. Captain C. Turner.

UNDER 16 DEFEATED CROYDON 4-2

With several positional changes, Altona were a much improved side showing occasional glimpses of their true ability.

Given more room-to-work on the right wing Chris Bruce on numerous occasions raced the ball down the field to drive passes across the circle.

Stephen Jansen at centre-half dominated the middle of the ground and continually

put the forwards into attack with carefully placed passes. Altona were in control of the game until the last 15 minutes when their stamina gave out. Croydon seized their opportunity to press repeated attacks and Altona were glad to hear the final whistle.

Goals: J. Forrester 2, G. Richardson, C. Bruce.

UNDER 14 DREW WITH CROYDON 1-1

In a hard fought game the decision was a fair result.

Play at times was very scrappy as players gave everything in an effort to gain premiership points.

Altona mounted many attacks, especially down the right wing through G. Brown. However, these attacks petered out in front of goal.

Gary Studley put Altona in front when he scored after a lone run from the 25 yard line.

Croydon replied quickly from a scramble in the circle. The game came to an exciting end as both sides battled to win.

Best: G. Studley, R. McCauley, B. Neyland, P. Symons.

Under 12 were defeated by Kew, 4-1.

CLUB NOTES

Selection Committee will meet at 7.30 p.m. Thursday in the club rooms. All team captains and coaches to be present or represented by deputies.

There will be a barbecue at the home of R. Verity, Upton Street, after the games on Saturday.

Home matches this coming Saturday:

A Grade will play their first home game against Moorabbin at 3.15 p.m.

C North v. Latrobe University at 1.30 p.m.

E North v. Old Essendon at 1.30 p.m.

D North v. Fairfield at 3.15 p.m.

A Trots Night will be held on Saturday, June 6. Tickets \$5 each from Brian Smith, 18 Queen Street, Altona, or Mr. R. Studley, 47 Queen Street, Altona. Help the club and sell a few tickets yourself.

SEAHOLME LITTLE ATHLETICS CLUB HOLD PRESENTATION NIGHT

Ninety-eight of the 120 members of the Seaholme Little Athletics Club attended the club's annual presentation night on Friday last at the Seves Street Methodist Hall.

Mr. Frank Heyme, the club's president, welcomed distinguished guests and the many parents who accompanied the children.

The president thanked all parents who had so ably assisted the club in its efforts during the track and field competitions and expressed the hope that the club would enjoy an even bigger and more successful year in 1970-71.

Mr. Heyme also expressed his committee's appreciation of the valuable assistance afforded the Seaholme Club by the Seaholme State School Committee through the offices of the Headmaster, Mr. G. Howard and his hard-working committee.

The president also thanked the Executive Council members of the Altona Centre whose organisation and planning made inter-club competition possible in the City of Altona.

The children and parents were entertained by the club committee who provided several items of entertainment between presentations. Their efforts were well rewarded by tumultuous acclaim from the large audience, particularly the solo item of Mr. Kingsford Teagle.

The following presentations were made:

Most Improved Girl Club Members 1969-70

Under 9: Kim Condon. Under 10: Janine Grainger. Presentation made by Mrs. Elaine Condon.

Under 11: Kerry Grainger. Under 12: Lynne Goldie. Presentation made by Mrs. Wilga Dryden.

Most Improved Boy Club Members 1969-70

Under 9: Dale Vines and

Robert Howden. Under 10: Chris Martin. Presented by Mr. Kingsford Teagle.

Under 11: Stephen Condon. Under 12: Neil Heyme. Presentation made by Mr. Frank Heyme.

Mr. George Nevitt, President Altona Little Athletics Executive Council, then responded on behalf of all the guests. The club champions were then presented:

Girls' Section

Under 9: Wendy Vanderveen. Under 10: Carmel Gollacki. Presented by Mrs. Joan Smith.

Under 11: Debbie Webb. Under 12: Martine Vantuelingen. Presentation made by Mrs. Betty Martin.

Boys' Section

Under 9: Neil Condon. Under 10: Alan White. Presentation made by Mr. Mick Martin.

Under 11: Graham Sullivan. Under 12: Sergio Grdovic. Presentation made by Mr. Fred Martin.

A special presentation was made by the president to Brenda Barden in recognition of the wonderful assistance she had rendered the club and the Altona Centre during the track and field season, 1969-70.

SPECIAL NOTE

ANNUAL CLUB MEETING

All Seaholme members are reminded and cordially invited to the Annual Club Meeting to be conducted at the Seaholme Primary School Library at 7.30 p.m. on Wednesday, April 15, 1970.

thinking of changing your job?

From time to time everyone, man or woman, thinks of changing jobs.

But scanning newspapers, answering advertisements (often vague) is a messy, time consuming business. And so you stay put. Even against your better judgement.

At least, that's the way it used to be.

Not any more. Riddells' Selective Staff Placement method takes out all the uncertainty, all the disappointments, all the frustrations.

Our friendly, professional counsellors will interview you and offer constructive careers advice, free of charge. We pioneered this business and have grown up in it. Selective Staff Placement is our own development. No one can offer you better advice, better service.

Because we have successfully placed many thousands of people in jobs which suited them perfectly, we have become the big name in staff placement.

Now we are in Footscray — no need to make time to go into the City.

Take the step that leads to Job Satisfaction — see us now — close to home, or close to where you work.

Seagulls Valuable Trial Game

In their final pre-season trial for the 1970 season, many Seagulls turned in great performances in an endeavour to gain selection in the team for the first game to be played at Oakleigh on Sunday.

Kevin Jackman led the side which contained most of the players who will probably be in the senior team and Max Papley captained the team which consisted of many players who must be considered close to breaking into the team for Sunday.

FIRST QUARTER

The first quarter opened with the "possibles" gaining an early lead through goals by Paul Heywood and Les Myers. But it was only a matter of time before their more experienced opponents struck back.

Following a sequence of great teamwork Andy Camilleri ran into an open goal to register the first major for the "probables." Shortly after Camilleri cleverly tapped the ball to the tireless Bob Smith for another goal to level the scores.

After missing the game against Chelsea because of a poisoned foot, Terry O'Mara was showing good form at centre-half-back and Bill Mitchell was in everything that came his way.

For the "possibles" David Dey was providing great drive and Paul Heywood was starring on a half-forward flank.

The interesting duel was in the "probables" attack where North Adelaide recruit Alan Byers was pitted against full-forward Dallas Patterson. Byers is not a spectacular player but appears to be an ideal defender because of his effective spoiling tactics and his long clearing kicks which repeatedly reach the centre or beyond.

SECOND QUARTER

The second quarter became a battle of defences and it wasn't until after ten minutes of solid battling that Robert Young, on a half-forward flank, notched a goal for the "probables."

Max Papley, who had not played in the practice matches against Maffra and Chelsea, was getting his share of kicks as a ruck-rover and wasted few.

Robert Percy had control in the pivot and Bob Smith gave his side many oppor-

tunities. Rovers for the "probables," Kevin Jackman and Andy Camilleri, were scouting well and tall ruckman John Van Liempol was providing Ken Barnes with plenty of opposition.

Another interesting duel was between regular full-back Tom Russell and promising forward David Stark. This youngster has shown tremendous potential but appears to be more suited as a half-forward where he has a little more room to move around in.

In defence for the "possibles" John Whittington was solid as was Peter Ryan in the back pocket at the other end of the ground.

Many good passages of play took place in this quarter and these resulted in goals to "probables" Bob Lane, Kevin Jackman and the courageous Andy Camilleri.

This quarter had seen more teamwork and co-operation between the more experienced players and at half-time the scores were 8-3-51 to 3-4-22.

THIRD QUARTER

"Penny" Lane was switched to full-forward for the "probables" and David Stark moved out to centre-half-forward at the start of the third quarter. Lane soon made his presence felt with a strong mark and goal. As was usual in the early stages of the previous quarters the "probables" had commenced the scoring.

It seemed that the more experienced team needed "waking up" and good play by Les Myers soon did this.

The "probables" gave Myers a little latitude for about three minutes and in that time he had three shots for goals. His first two were from tenacity and quick thinking and were successful but his third fell short of the target and was cleared by Ronny Page.

The "probables" then lifted their play and in a short space of time they registered four goals — one to Kevin Jackman and three to Dallas

Patterson. "Soupy" Viney was marking well in defence and the return to form of rover Andy Camilleri was quite apparent. He was scouting cleverly, never side-stepping any issue in giving his attack many opportunities.

At three-quarter time the scores were 13-9-87 to 7-7-49, but the standard of play had slipped a little below that which prevailed early in the game.

FOURTH QUARTER

The last quarter was not very inspiring and goals to the "probables" resulted from mis-directed hand-passes from players who should have known the team they were opposed to was not far below them in standard and that one too many hand-passes would result in it going to a player already under pressure.

The shock of the quarter came on the grandstand wing when coach Max Papley received an accidental kick in the ankle and fell to the ground in apparent pain. He played the remaining ten minutes in the back pocket but was obviously in some trouble making full use of the leg. However, after the game, the injury was responding to treatment and he should be available for next Saturday.

The "probables" ran out easy winners 18-10-118 to 9-9-63, and although the standard had dropped after half-time many players had turned in performances which must give the selectors headaches when deciding the team to play Oakleigh.

ADVERTISER AWARD FOR TOP SEAGULL

Central Altona Football Club

In a disappointing performance Central Altona were soundly beaten by the more accomplished Altona City side.

Central Altona had no counter to Altona City's high marking strength and back-up.

However, Centrals played well below last season's form and senior coach Ken Collins expects a marked improvement in the following matches.

Centrals' Under 28 coach Ron Smutney was pleased with his game against West Newport right out to the last minute.

Ray Makohon's splendid mark in the last quarter in which he scored a worthy goal, gave Centrals a good pivot in attack.

The next Centrals' social evening is to be held at 73 Suffolk Street, West Footscray, on Saturday, April 18. Everybody welcome.

Football Auxiliary Seek Members

Ladies with football interests are invited to join the ladies auxiliary of the Altona City Football Club.

At the next meeting in the clubrooms at 8 p.m. on Wednesday, April 22, office-bearers will be elected for the next year.

New members will be most welcome.

were Mrs. C. Henderson and
D. Watt.

The hundred up competi-
tion was again won by Miss
B. Eason for the third suc-
cessive year with D. Radford
runner-up. The trophies were
donated by Mr. T. Richard-
son.

The winners for Saturdays
game of triples were D. Muir
(c.), A. Kilgour and E. Os-
wald. Runners-up: D. Rad-
ford, J. Thomas and R. Mul-
lins. The trophies were don-
ated by D. Watt.

The club wish Miss B.
Eason and D. Muir "bon
voyage" as they will be going
overseas shortly.

LAVERTON RECORD MAMMOTH WIN IN W.S.F.L. OPENING

By WARDEN JAMES

Laverton recorded a mammoth 37 goal
win against Brooklyn in the opening round of
Western Suburban Football League matches
played last Saturday.

Fielding its strongest side
for many years, Laverton won
in every position on the
ground to score 34.27 to
Brooklyn's solitary goal.

Barry Cheney headed the
onslaught with 11 goals and
he received solid support
from K. Rozynski, who
kicked seven goals.

A five minute brawl be-
tween players, trainers and
officials highlighted the
last quarter of the ...ew-
port-South Kingsville match,
however there were no re-
ports after the match.

Seventeen-year-old John
Bester with four goals was
Newport's outstanding play-
er, and this youngster looks
to have a bright football
future.

Last year's runners-up
Central Altona lowered
their colors to a more sys-
tematic Altona City. They
had no answer to Altona's
high marking all around
the ground and better back-
ing up, and went down 6.8
to 18.7.

Maidstone, tackling hard
and winning in the rucks
and around the packs, had
too many good players for
Werribee in a comfortable
win, while RAAF Point Cook
were untroubled in beating
RAAF Tottenham.

John Besser continued his
brilliant form on Sunday in
steering Newport to a very
convincing win over Laver-
ton with eight goals off his
own boot in Under 18.

Newport were far too
strong for a smaller Laverton
side and showed their com-
plete supremacy in the third
quarter when they kicked
13 goals straight.

Fifteen-year-old Kirk
Naughton, who notched 13
goals, from centre half for-
ward, was the dynamo be-
hind Devon Park's over-
whelming win against West
Newport in Under 16.

West Newport, however,
could field only 14 play-
ers.

As anticipated last week,
Laverton was not able to
secure officials to look
after the side and was forced
to withdraw, leaving this
section with a bye.

Newport also could not
field a side this week giving
Altona a walkover, however
officials hope to remedy this
situation next week.

Mr. Brian Carpenter,
RAAF Tottenham secretary,
was appointed assistant ad-
ministrator of the League at
a delegates meeting last
Friday.

Indications are that Mr. Bill
Lee will relinquish the treas-
urer's position and this post
could be taken over by
registrar Mr. Alby Mason.

Altona City has indicated
that it could field a second
Under 18 side to eliminate
the bye in this section, but
no definite information was
available prior to this re-
port being written.

WESTERN SUBURBS TENNIS

The Western Suburbs Ten-
nis finals on Saturday pro-
duced three thrilling games.

In A Reserve I, Yarraville
were 19 games down after 4
sets but gradually narrowed
the gap until they needed a
6-0 win in the last set to win
by a set. The last mixed
pair were equal to the task.

Power Street in A Reserve
III equalled Yarraville's per-
formance. Five games down
and one set to play and down
on sets. Another six love was
needed to win by one game
and again the "impossible"
was achieved.

The Altona-AGM match in
B Grade Section 4 was de-
cided by who won the last
set and Altona won 6-5.

Diggers won the A Grade
maintaining the lead all day.
Diggers and Yarraville
shared the honors with three
premierships each.

Spotswood's victory in B
Grade Section III was pleas-
ing. The team is all under
15 years. They did try to
chair their coach off the
courts but found his 14 stone
to be just too much for them.

Results were:
A GRADE: Diggers d. Yar-
raville.

A RESERVE I: Yarraville
d. Diggers.

A RESERVE II: Yarraville
d. Rosamond.

A RESERVE III: Power St.
d. Roberta.

B SPECIAL I: Yarraville
d. V.R.I.

B SPECIAL II: Diggers d.
Footscray.

BI: Liston-Esplanade d.
Diggers.

BII: Diggers d. V.R.I.

BIII: Spotswood.

BIV: Altona d. AGM.

Junior finals will be played
next Saturday and both
senior and junior pennants
will be presented to the win-
ning teams at the Yarraville
tennis courts after the cham-
pionship finals at 4 p.m.

(B) Div. — 1st, R. Woodgate; 2nd, W. Gardiner (Altona); 3rd, P. Gardiner (Altona).

SPOTSWOOD FOOTBALL CLUB

UNDER 18
Playing away to North Footscray at Hansen Reserve, Spotswood proved too strong and mobile for the opposition to kick a huge total.

Hughes, McTaggart, Page, and Tobin dominated around the forward line being well supported by the rest of the team.

Scores: Spotswood, 35-19-229; North Footscray, 13-9. Goals: Hughes 7, McTaggart 5, Page 5, Tobin 4, Crisp 3, Mackey 3, Thomas 3, Kirsa 2, Moore 2, Lelkes.

Best: All players played well in a very even side.

UNDER 16
Away to Braybrook YCW, premiers in the Second Division last year, Spotswood had to fight all the way to get on top to win the game by 21 points.

Up till half-time Spotswood were 14 points down but after settling down wore their opponents down to win the game.

Scores: Spotswood, 13-9-87; Braybrook YCW, 9-12-66. Goals: Scott 3, Bright 3, Collins 2, Powley 2, Rich, Harley, Walker.

Best: Kerr, Powell, Harley, Scott, Rich, Maltman, Walker.

UNDER 14
Playing home to Kingsville, Spotswood's overall strength proved too much for their opponents to win easily.

The team got great drive from Rowley, Prytherch and Cameron who were very active around goal.

Scores: Spotswood, 19-19-133; Kingsville, 4-1-25. Goals: Rowley 5, Prytherch 5, Cameron 4, Richards 2, Scott 2, Langlands.

Best: Davis, Powley, Cameron, Caldwell, Prytherch, Scott.

UNDER 12
Playing home to Our Lady's Maidstone, Spotswood put on a superb effort to kick a cricket score.

Playing together for the first time the lads played like veterans, which speaks well for the club in the future.

Scores: Spotswood, 33-15-213; Our Lady's Maidstone, nil.

Goals: D. Davis 9, Jameison 8, Minatale 5, Martino 3, G. Davis 3, Kosky 4, Cameron.

Best: All players did their part.

UNFURLING OF FLAG
Next Saturday at Spotswood the unfurling of the undefeated Under 16 premiership pennant will take place at approximately 9.45 a.m. An invitation is extended to all interested to attend.

Newport Ladies Bowling Club

Newport Ladies held their Guest Day on Wednesday, April 8, after luncheon, the ladies bowled to lucky tickets on the green and the winners received some nice gifts.

Bowls were played in brilliant sunshine and everyone enjoyed a good day.

The winning rink was captained by M. Dean with M. Young, C. Henderson and P. Dimond. Runners-up: D. Haskell, T. Watson and M. Newman. The trophies were donated by Mr. F. Hook and Mr. A. Paxton, both members of Newport Bowling Club.

On Thursday, April 9, pairs were played and enjoyed by all. Trophies were donated by Mrs. Pat Luke who has been in hospital. It is hoped she will soon be back at the club.

Winners were M. Fitzpatrick and D. Rycroft, runners-up V. Clark and E. Watson. Deepest sympathy to Alice Ritchie on the loss of her husband, Bill, who was club secretary.

APRIL 1
After a very unpleasant Easter week-end the weather smiled for the ladies social bowls day at Newport on April 1.

It was very pleasant bowling and the winning rink was captained by V. Clark, with M. Michael and D. Leslie.

Mixed bowls were played the next day but once again it rained. However, the game was finished. Winning rink: M. Hernan (c.), T. Cullen, H. Darby and P. Dimond. Runners-up: M. Young (c.), H. Higham, C. Dearness and B. McMahon.

The lucky ticket was held by J. Schmidt. Phoebe Kistler and Stella Rogash finished third in the Carry-On Pairs — well done.

Williamstown Amateur Athletics

The winter season opened last Saturday with a 3 mile handicap road race at Newport and it was won in fine style by junior Rob Hall.

The time was a smart 17 mins., 41 secs., with Barry Whear finishing second 35 yards away and Greg McVicar 10 yards further back third. There was a gap of 45 yards to Eero Keranen who headed a bunch of five, including Ian Jackson, Steve Cons, Kevin Esmore and Bernie Benjamin, followed by Greg Ward of scratch and Terry Phelan and Peter Whinney.

Ian Smith, John Handley, Doug Knight, Simon Hogan and Pat Bradshaw completed the field of 16 and finished in that order.

The walkers competed at Albert Park, Seniors over 6 miles and the Juniors in a combined boy and girl three-quarter mile handicap.

Bernadette Dagge, winner of the Under 12 years interstate challenge last month was first girl home from Jenny Hurwood, also of Williamstown. Lois Bain, Williamstown, gained the style award.

Ted Allsopp used the 6 mile as a step towards the 50 kilometre Victorian Championship on July 25 when he will start favorite to win his 50th title ranging from one mile track to 50 kilometre track and road, Australian and Victorian.

Club mates Norm Marr, third last year, and veteran Cliff Barling, second to Ted Allsopp in two previous championships will also compete for the honor of representing Victoria in the Australian Championship over 50 kilometres in September. The course will be 10 laps of the Albert Park Lake for both events.

The Annual Meeting of the club will be held at 8 p.m. on April 24 at the club rooms, Market Street, Newport.

Williamstown CYMS Football Club

By "FRANK"

PICNIC (SUNDAY, APRIL 5)
Due perhaps to the poor weather the attendance was a little disappointing. However, everyone thoroughly enjoyed the day.

No record was kept of the children's races but there were some close finishes. The ladies' races resulted in a dead-heat between Mrs. Wendy Dey and Mrs. Anne Lamb.

David Jones took off both the CYMS Gift and the mile race.

The back-markers' sprint (off scratch) was won by Steve Rieger.

FIRST ROUND MATCHES

A GRADE

Kicking with a strong wind Town started off poorly. Players were not combining together and were letting the opposition in for quite a few chances.

Scores: Williamstown, 6-4-40; West Ivanhoe, 3-2-20.

Second Quarter

Our players seemed to be rattled and our opponents attacked for much of the quarter. Fortunately, their forwards were off line. Town fought back towards the end of the term but we were very fortunate to be in front.

Scores: Williamstown, 9-5-59; West Ivanhoe, 7-9-51.

Third Quarter

After a "roasting" by coach Dick Harris, our players fought back in this quarter. There was much more system in Town's play and the result was being shown on the board. Seven goals in this quarter was a vast improvement.

Scores: Williamstown, 16-10-106; West Ivanhoe, 8-10-58.

Final Quarter

The players finished all over the opposition who looked undertrained. Players were now backing each other up much more than earlier.

Final scores: Williamstown, 18-14-122; West Ivanhoe, 9-11-65.

Best (not in order): Zamykal, Moore, Dey, Hynes and Rieger.

Goals: Moore 4, Rieger 3, Rosenzweig 2, J. Henry 2, Jones 2, Pacifici 2, Zamykal, Halley, Watson.

B GRADE

Although beaten by a large margin the players fought the match right out. Town had much of the play but inexperience prevented our players from getting the results they should have. With more training and playing together the team will soon be quite a good combination.

Scores: Williamstown, 5-7-37; North Essendon, 2-7-14-178.

Best: Bunting, Blott, Jim Zammit, A. Hill.

Goals: P. Vaughan, Bunting, Jim Zammit, Blott, M. Rieger.

NEXT WEEK'S GAMES

A Grade play North Essendon B at Fearon Reserve

B Grade play Bentleigh, away. Players are to meet at St. Mary's Hall, Cecil Street, Williamstown, by 1 p.m.

All supporters are most welcome to both matches.

Holy Trinity Juniors

In a curtain-raiser to the opening of the Western Suburbs Churches Colts 1970 football season, Holy Trinity played Laverton Youth Association last Saturday at the Strand Reserve in two practice matches.

The club was successful in both its Under 12 and Under 15 sections. Match results: UNDER 12: Holy Trinity, 6-7-43, d. Laverton Y.A., 3-4-22.

UNDER 15: Holy Trinity, 9-9-63, d. Laverton Y.A., 5-13-43.

Best players for Under 15: D. Watt, S. Stuart, G. Wyatt, C. Sahhar, W. Spicer until injured.

This Thursday a guernsey presentation night will be held in the Holy Trinity Hall commencing at 7.30 p.m. A special invitation is extended to the parents and friends of the boys to be present at this function.

Addresses by the club's coaches, Mr. W. Dwyer (Under 15) and Mr. Hudson (Under 12) will be given.

Holy Trinity opens the 1970 season this Saturday playing away against Altona Methodist at the Grant Reserve, Civic Parade, Altona.

Power Street Tennis Club

Spectators at the Power Street-Roberta match were well rewarded with a close, tense display of good tennis all afternoon.

The climax was incredible. The last set took the court, with darkness fast descending and Roberta holding the commanding lead of 5 games. It appeared to be only a matter of time.

Power Street's pair Margaret Hollis and Don Campbell playing and combining excellently gradually whittled down the lead to snatch a remarkable victory by one solitary game to a thunderous ovation from their overjoyed club mates.

Pigeon Racing

Williamstown VRPU
Results of the race flown from Springhurst, 135 miles. The race was once again won by R. Koschel who has won the last three races with the same pigeon.
